

NESTHAUS

Building Contractor

1

ADVOCATE
RETAIN YOUR CHAMPION

Someone should always be considering air tightness.

PLANNING
THINK ABOUT IT EARLY
Airtightness isn't an accident.

2

3

TEAM EMPHASIS
EVERYONE MATTERS
TREAT THEM WELL

Nothing can be done in isolation. Your team matter. Trust them, respect them; they will respect the project.

5

TAKE CARE
The big picture is made from the small details.

ADAPTABILITY
"BEST LAID PLANS"
Not everything can be anticipated.

4

6

DISCUSSION
Make time for discussion. You will save time overall.

Air tightness discussed
