

Accommodation Options

There is a good variety of accommodation near to Garway but delegates will need to think about travel to and from Garway as most will require car transport to the conference venue. We will include options for lift sharing to registered delegates.

Accommodation varies from self-catering options (including camping) to bed and breakfast options and small and country hotels depending on your budget and if you wish to extend your stay either side of the convention.

We have included a selection of options – mostly those nearest to Garway - below but you will find more online via the usual booking sites.

Staying in Hereford

For delegates wishing to stay in Hereford we are looking into providing transfers to and from Hereford Station and Garway at specified times on both Friday and Saturday for a small charge and subject to enough delegates booking this option. Please contact Karen at conference@aecb.net if you wish to find out more.

Self catering

Visit www.airbnb.co.uk and search for Garway: this yields a variety of rooms and self-catering accommodation including yurts, barn conversions and options for groups.

Camping

For delegates wishing to camp, our designated campsite is **Burhope Farm Campsite**

This offers quiet camping about 5 miles (10-12 mins by car) from Garway with hardstanding pitches for caravans or campervans and grass pitches for tents – available with or without Electric

There is a fishing lake, fire bowls and fuel for hire/sale and a small shop for essentials.

Wifi is available to purchase onsite.
