3 – LOCAL AUTHORITY CLIMATE ACTION

Tuesday 3rd November, 13:00-15:00

Over 300 local authorities have declared climate emergencies. But what action is being taken?

Following a successful two-year [Vanguard Campaign](#) the Good Homes Alliance has now recruited 15 new members, representing 45,000+ new homes, to a Local Authority Vanguard network. The main aim of the network is to share resources and conduct further research to facilitate the delivery of new housing to enhanced sustainability, quality, health and performance standards.

This event will showcase the forward-thinking work of our Vanguard Network members as they act upon their climate emergency declarations and seek to deliver low energy, high quality housing at scale.
